

RESOLUTION NO. 2015-4

RESOLUTION OF THE WHITEMARSH TOWNSHIP AUTHORITY  
TO MODIFY PUBLIC SANITARY SEWER RATES

WHEREAS, the Whitemarsh Township Authority operates a sanitary sewer system serving Whitemarsh Township; and

WHEREAS, the Whitemarsh Township Authority operates the sanitary sewer system consistent with a rate structure previously adopted by Whitemarsh Township; and

WHEREAS, in order to determine the appropriate rate for its sanitary sewer system, the Authority engaged the services of a rate consultant, Howard J. Woods, Jr. of Howard J. Woods Jr. and Associates, LLC, to perform a review and calculation of an appropriate sanitary sewer rate; and

WHEREAS, Howard J. Woods, Jr. appeared before the Board of Directors of the Authority (“Authority Board”) on November 19, 2014 to discuss his recommendations; and

WHEREAS, at the Authority Board meetings on February 18, 2015; March 18, 2015; and April 15, 2015, the Authority Board discussed the recommendations of Howard J. Woods, Jr.; and

WHEREAS, the Authority Board has reviewed the sanitary sewer rate information, made independent inquiries of the Authority’s rate consultant, engineer and administration, and has considered comments from the Authority’s customers; and

WHEREAS, the Authority Board, after due consideration of the sanitary sewer rate information, the recommendations and all commentary related thereto, has determined that the sanitary sewer rates should be modified as set forth in the attached Rate Schedule.

NOW, THEREFORE, BE IT RESOLVED by the Authority Board that the Authority does hereby increase sanitary sewer rates as outlined in the attached Rate Schedule effective immediately.

**RESOLVED AND ENACTED** this 20th day of May, 2015.
