Whitemarsh Township Authority Extends Payment Deadlines

The Whitemarsh Township Authority Board of Directors has extended the deadlines to make sewer payments and the discount period in response to the financial hardship many of our ratepayers are experiencing due to the COVID-19 Pandemic.

The COVID-19 pandemic has affected each and every resident and business in the Whitemarsh community. Over the past several days, at the direction of the Board of Directors, the Authority’s staff and professionals have worked hard to develop a plan to help the residents and small businesses that are most acutely feeling the impacts of this unprecedented crisis.

The Board of Directors is pleased to announce that beginning Friday, April 3, 2020, all payment deadlines for direct customers of the Authority will be extended as indicated in the below timetable. This includes the early pay discount as well as the face value time periods, for all billing cycles in 2020. This does not apply to bulk customers, and the Authority is not able to refund any payments already made.
